

Area Marking

Create a safer, more efficient workplace

About BRADY

Once you have worked with BRADY, our name will stick with you, (just like our labels) because BRADY is one of the world's leading labelling and identification specialists.

Innovative

At BRADY we continue to improve. We have many customers from all industries, and we strive to be ahead of their needs by continuing to invest in research for even more performant solutions. By developing more user-friendly and efficient concepts, we give our thousands of customers the best in the market.

Strength

At BRADY, we believe our biggest strength is the wide range of identification and safety solutions we can offer our customers, whether it's labelling the smallest component or complete signage for an entire warehouse. We're also proud to offer many products and services - from printers, scanners and software to service contracts and on-site training - that compliment any identification job. And don't forget, our wide network of expert distributors can always offer you a tailor-made solution to meet your specific requirements.

Trust

For over a hundred years, BRADY has been connected with quality, trust and stability. We demand the best for your products and services, because we know, better than anyone, the importance of good and reliable identification. Identification looks like a small detail, but every professional knows that this kind of detail is crucial to any business.

Inform

We also have specialised dealers in your region, who can answer all your identification, safety and labelling questions, specific to your activity. They will be happy to provide you with all kinds of options and solutions with no obligation.

Brady products are sold on the condition that the purchaser will test them in actual use and determine for himself/herself their suitability to his/her intended purpose. Brady warrants to the purchaser that Brady products are free from defects in material and workmanship but limits its obligation under this warranty to the replacement of the product which has been shown to Brady's satisfaction to have been defective at the time of its purchase.

The warranty does not extend to any persons who have acquired the product from the purchaser. It is in lieu of any other warranty, including every warranty of sale-ability, marketability or suitability for the intended purpose, and is also in lieu of any other obligation or liability on the part of Brady.

Under no circumstances will Brady be liable for losses, damage, costs or subsequent damage of whatever nature which may arise in connection with the use of, or inability to use, Brady's products.

Area Marking: why?

Creating a totally safe work environment requires several elements: clear signage and lockout tagout procedures are essential but should be complimented by clear area marking.

Brady offers a complete range of additional marking methods to ensure that floor areas, steps, railings and other relevant areas can be identified as danger zones.

Brady will help you find the solution that works best for your environment!

Floor marking tape

Photoluminescent area marking

Anti-skid products

Barricade tape

TABLE OF CONTENTS

- 4 ToughStripe - Removable area marking tape
- 12 Permanent area marking tape
- 14 PaintStripe & floor marking paint
- 16 Photoluminescent area marking
- 20 Anti-skid products
- 21 Barricade tapes
- 23 Warning posts & chains
- 26 Floor stands
- 27 Safety bumpers

Warning posts & chains

ToughStripe is the ideal floor marking tape in a lean environment where the regular application and replacement of floor marking is crucial.

Superior durability

Spend less time replacing damaged or worn lines for a better looking, more efficient facility.

- Withstands forklift traffic without tearing or lifting
- Low profile design minimises tears and scratches from skids, pallet jacks, etc.
- Rugged polyester with ultra aggressive adhesive

High visibility

Get the same visibility of painted floor markings – and pay less.

- High gloss surface shines like new paint
- Low-profile minimises debris build-up along the edges that occurs with thicker (extruded) floor tapes
- Surface resists marks and smudges and cleans up like new
- Available in a variety of high impact colours

Painless Removal

Easily remove floor markings without damaging the floor or leaving adhesive residue.

- Does not chip and flake when being removed - comes off in one piece
- Clean removal without any unsightly adhesive residue or damage to the floor

Easy application

Quickly lay down smooth, straight lines – without the help of co-workers.

- Can be easily applied by one person working alone
- Stiff polyester with liner prevents tape stretching and reduces wrinkles and wavy uneven lines
- No special floor preparation required – just clean with common detergents
- For maximum performance, apply ToughStripe Floor Marking products to flat, non-coated concrete

Die-Cut shapes

Use different shapes, colours and sizes for more effective, durable floor markings.

- Dashes, dots, arrows, footprints, numbers, letters and corner marks (L, T and shapes)
- Longer lasting markings – Minimises the risk of damage and facilitates fast repair
- Selected dashes, dots and arrows are pre-spaced on transfer tape, making it incredibly easy to lay down straight evenly spaced lines

PaintStripe & floor marking paint

Fast and easy floor marking with PaintStripe

Brady now offers line-painting stencils for floor-marking applications. These stencils offer a convenient and precise solution wherever painted lines are preferred to help create a safe, organised, and productive work environment. PaintStripe Floor Marking Stencils are available in both continuous and dashed line formats; line widths of 50.80 mm, 76.20 mm or 101.60 mm; and two adhesive types to suit a range of floor surface types and conditions.

Increase workplace efficiency

Clear visuals, like safety signs and floor marking, can communicate important information exactly where the information is needed. They help create an efficient, lean workplace by supporting employees to quickly and easily recognise safe walking areas, forklift lanes, storage locations and specific production areas.

Precise & easy

Marking floors can offer great benefits, but painting a precise line on a factory floor can be quite time consuming.

- With Brady's PaintStripe Floor Marking Stencil, precise lines can be painted a lot faster.
- Distance markings on the stencils enable users to exactly map out entire floor lines or areas before applying paint.
- Equipped with Brady adhesives, the PaintStripe stencil can quickly and securely mask floor line edges and is easy to remove at the same time in order to achieve precise floor markings.

Accelerating the application of painted floor marking like this, minimises project preparation time and disruption of normal operations.

Applications

Brady's PaintStripe is available with two adhesive types to suit a range of floor surface types. Painted floor marking using PaintStripe stencils is ideal to increase efficiency:

- in outdoor applications and also on high traffic factory floors
- in heavy manufacturing facilities
- in facilities with wet floors, harsh washdown or floor cleaning protocols and on floors frequently exposed to chemicals

B-518 for clean, polished floors

Article No.	Description	Width (mm)	Length (m)
148820	PaintStripe Stencil - Continuous Line	50.80	30.50
148815	PaintStripe Stencil - Dashed Line	50.80	30.50
148808	PaintStripe Stencil - Continuous Line	50.80	152.40
148823	PaintStripe Stencil - Dashed Line	50.80	152.40
148814	PaintStripe Stencil - Continuous Line	76.20	30.50
148819	PaintStripe Stencil - Continuous Line	76.20	152.40
148806	PaintStripe Stencil - Continuous Line	101.60	30.50
148816	PaintStripe Stencil - Continuous Line	101.60	152.40

B-519 for dull, worn surfaces and rough or textured floor applications

Article No.	Description	Width (mm)	Length (m)
148813	PaintStripe Stencil - Continuous Line	50.80	30.50
148812	PaintStripe Stencil - Dashed Line	50.80	30.50
148822	PaintStripe Stencil - Continuous Line	50.80	152.40
148818	PaintStripe Stencil - Dashed Line	50.80	152.40
148809	PaintStripe Stencil - Continuous Line	76.20	30.50
148821	PaintStripe Stencil - Continuous Line	76.20	152.40
148810	PaintStripe Stencil - Continuous Line	101.60	30.50
148807	PaintStripe Stencil - Continuous Line	101.60	152.40

Brady recommends that users should perform a test of the stencil/paint combination on the actual floor surface when planning floor-painting projects. Brady offers no-charge sample rolls of B-518 and B-519 stencils for this purpose.

Easyline™ Floor Marking Paint for industrial marking

- For permanent use
- Supplied in 750 ml aerosol cans which are CFC free
- Does not contain lead or chlorinated solvents
- Produces lines up to 100 metres long, depending on the surface and the width
- Resistant to oil, petrol, grease, water, etc
- Packaging: Sold in packs of 6

Barricade tapes

Visual barricading provides fast on-the-spot warning of potential dangers.

The non-adhesive tape can be used for temporary outdoor or permanent indoor applications. This tape can be tied, stapled or nailed to posts, fences or metal barricades.

- Material: Polyethylene
- Thickness: 0.075 mm
- Size: 75.00 mm x 250 m
- Packaging: 1 roll

Custom products available on request:

- Standard dimensions: 50mm x 250m and 75mm x 250m
- Background colours: Green, Orange, Red, Yellow, Blue, White
- Print of text and/or logo
- From 24 rolls

Super-strong barricade tape

Long-lasting hazard protection, even with long distances between tie points.

Reinforced Barricade Tape is stronger than ordinary barricade tape, making long stretches between tie points easy. No stretch or sag in sunlight or wind and it's tough enough to be used again.

- Width: 75.00 mm
- Length: 100 m
- Packaging: 1 roll

Custom products available on request:

- Standard dimensions: 50mm x 250m and 75mm x 250m
- Background colours: Green, Orange, Red, Yellow, Blue, White
- Print of text and/or logo
- From 24 rolls

Underground warning tape

Underground tape is buried 30 to 45 cm below ground level. Digging crews receive warning of buried lines and cables, allowing a margin of safety between the tape and the buried line.

- Available in 2 versions: detectable and undetectable
- Easily Seen
- Easily Identified - by means of colour coding
- Convenient - Handy dispensing reel
- Strong - Heavy duty polyethylene material resists acid, alkalis and other soil substances.
- Long Lasting - Coated graphics provide long lasting legibility and hold colour values
- Economical - Compared to the potential cost of line damage, this tape is cost-effective for use over the entire length of the line
- Standard dimensions: 75mm x 250m and 150mm x 250m
- Minimum order quantity: 50 rolls of 75mm x 250m or 25 rolls of 150mm x 250m
- Black print on any background colour

Did you know? - MetalPhoto® photosensitive anodised aluminium

MetalPhoto® is the leading material for durable, long-lasting barcode labels, asset tags and variable information plates.

Made of photosensitive anodised aluminium, these reliable custom tags and labels are designed to work with your specific asset tracking system and remain readable for more than 30 years outdoors.

MetalPhoto® can be used for the identification of underground lines and cables.

Anodic Layer

The glass-clear, sapphire-hard anodized layer resists chemicals, paint, abrasion and dirt.

Sealed Image

Black graphics are metallic silver particles that hold up to extreme heat and sunlight exposure.

Aluminum Layer

The rigid aluminum base will not peel, crack or delaminate.

Warning posts

Ideal for controlling and directing foot traffic. Suitable for warehouses, factories, offices, etc.

Chains and ribbons can be attached to the sturdy 90 cm high posts. The posts are available in one-colour or two-colour versions (stripes of 10 cm wide).

- Material: polyethylene
- Non-conductive: the posts can be used for barricading electrically hazardous installations
- Built-in ultraviolet inhibitors: block out ultraviolet rays to prevent colours from fading
- Colours: they stay bright and eye-catching, even after years of use
- Sizes: height: 900.00 mm, outside diameter: 40.00 mm

WHEN PERFORMANCE MATTERS MOST

WORK FASTER
 WITH CLEAR MAINTENANCE VISUALS

BradyLink® warning post & chain

Barricade potentially hazardous areas indoors or outdoors with portable plastic posts and chains. Their lightweight yet tough construction stands up to years of use in temporary or permanent applications.

The components of the posts and chains are made of polyethylene with the following features:

- Built-in Ultraviolet Inhibitors: Screen out the sun's rays to prevent colours from fading during outdoor use
- Light-weight: chain is lighter than similar metal parts – chain weights 2.7 kg per 25 metres
- Non-rusting: Unlike metal posts and chain BradyLink, plastic parts cannot rust
- Fillable Base: Hollow base can be filled with water or sand for more stable application
- C-hook: Large C-hook holds chain in place. Use open, or closed for greater security

Insert post into base and turn into place. Base may be filled with sand or water to make the assembly more stable.

Drop C-hook into slots, insert post to, and screw into place. Large C-hook holds chain in place.

Brady warning posts

- Post Diameter: 75.00 mm
- Base Diameter: 400.00 mm
- Height: 1040.00 mm

078248	50.00	Black
078247	50.00	White
078246	50.00	Yellow

Message sign

Create an even safer work environment by using these universal signs. The plastic frame simply clips to the Brady posts.

- Kit contains: frame + 2 attachment clips + 1 chain (black, 20 cm)
- Colour: Black
- Packaging: 1
- Signs not included in kit

Article No.	Width (mm)	Height (mm)	Description
292250	210.00	297.00	Message Sign Kit A4

Heavy duty floor stands

Easily transportable, these stands are very useful to carry with and clearly indicate substantial dangers such as slippery zones. They are ideal for hospitals or public halls for example.

- Heavy duty yellow high density polypropylene
- Height (closed): 660.00 mm
- Maintenance free : will not dent or corrode
- Large message area is visible from over 9 metres
- Available with a range of standard messages or as a blank stand

Polyurethane safety bumpers

Clearly visible, made from polyurethane foam rubber, flexible and sturdy material, optimal shock-absorber.

- 3 colours: black; yellow on black; photoluminescent on black
- 3 models available + 2 corner connecting pieces
- The photoluminescent strips are coated with a film that protects against physical and chemical actions. In the dark, these products give off the light they have absorbed during the day
- Non-toxic and non-radioactive
- Length: 1m.
- Secured with adhesive
- Packaging: 1

Article No.	Type	Colour	Packaging
225011	Type A	Black & Yellow	1

Brady Corporation

Our mission is to identify and protect people, products and places

COMPANY OVERVIEW

BRADY was founded in 1914 in Eau Claire, Wisconsin, as W.H. BRADY Co., and renamed BRADY Corporation in 1998. The company began selling products internationally in 1947. In 1984, BRADY went public, with stock trading on the Nasdaq Stock Market, and in 1999, moved trading of its stock to the New York Stock Exchange, where it trades under the symbol BRC. The company's global headquarters is in Milwaukee, Wisconsin.

BRADY MANUFACTURES AND MARKETS:

- products for identification and safety applications such as signs and markers, printing systems and software to produce identification products on-site and on demand
- products for wire identification, including labelling materials and tools for wire and cable marking in the electrical, datacom and telecommunication markets
- high-performance identification products, including labels and signs that remain legible and highly adhesive even in harsh environments
- products that identify people and enhance security by ensuring the right persons are in the right places at the right time

OPERATIONS – SOME FACTS:

- 6500 employees around the world
- Operations in 29 countries
- Distribution in more than 100 countries through more than 4,400 distributor partners
