

# PaintStripe™ Floor Marking Stencil

[www.bradyeurope.com/PaintStripe](http://www.bradyeurope.com/PaintStripe)

Fast and easy  
floor marking with  
PaintStripe

Brady now offers line-painting stencils for floor-marking applications. These stencils offer a convenient and precise solution wherever painted lines are preferred to help create a safe, organised, and productive work environment. PaintStripe Floor Marking Stencils are available in both continuous and dashed line formats; line widths of 50.80 mm, 76.20 mm or 101.6mm; and two adhesive types to suit a range of floor surface types and conditions.

## Increase workplace efficiency

Clear visuals, like safety signs and floor marking, can communicate important information exactly where the information is needed. They help create an efficient, lean workplace by supporting employees to quickly and easily recognise safe walking areas, forklift lanes, storage locations and specific production areas.

## Precise & easy

Marking floors can offer great benefits, but painting a precise line on a factory floor can be quite time consuming.

- With Brady's PaintStripe Floor Marking Stencil, precise lines can be painted a lot faster.
- Distance markings on the stencils enable users to exactly map out entire floor lines or areas before applying paint.
- Equipped with Brady adhesives, the PaintStripe stencil can quickly and securely mask floor line edges and is easy to remove at the same time in order to achieve precise floor markings.

Accelerating the application of painted floor marking like this, minimises project preparation time and disruption of normal operations.

## Applications

Brady's PaintStripe is available with two adhesive types to suit a range of floor surface types. Painted floor marking using PaintStripe stencils is ideal to increase efficiency:

- in outdoor applications and also on high traffic factory floors
- in heavy manufacturing facilities
- in facilities with wet floors, harsh washdown or floor cleaning protocols and on floors frequently exposed to chemicals

## B-518 for clean, polished floors

Article No.	Description	Width (mm)	Tape Length (m)
148820	PaintStripe Stencil - Continuous Line	50.80	30.50
148815	PaintStripe Stencil - Dashed Line	50.80	30.50
148808	PaintStripe Stencil - Continuous Line	50.80	152.40
148823	PaintStripe Stencil - Dashed Line	50.80	152.40
148814	PaintStripe Stencil - Continuous Line	76.20	30.50
148819	PaintStripe Stencil - Continuous Line	76.20	152.40
148806	PaintStripe Stencil - Continuous Line	101.60	30.50
148816	PaintStripe Stencil - Continuous Line	101.60	152.40

## B-519 for dull, worn surfaces and rough or textured floor applications

Article No.	Description	Width (mm)	Tape Length (m)
148813	PaintStripe Stencil - Continuous Line	50.80	30.50
148812	PaintStripe Stencil - Dashed Line	50.80	30.50
148822	PaintStripe Stencil - Continuous Line	50.80	152.40
148818	PaintStripe Stencil - Dashed Line	50.80	152.40
148809	PaintStripe Stencil - Continuous Line	76.20	30.50
148821	PaintStripe Stencil - Continuous Line	76.20	152.40
148810	PaintStripe Stencil - Continuous Line	101.60	30.50
148807	PaintStripe Stencil - Continuous Line	101.60	152.40

Brady recommends that users should perform a test of the stencil/paint combination on the actual floor surface when planning floor-painting projects. Brady offers no-charge sample rolls of B-518 and B-519 stencils for this purpose.

Discover how easy it is to paint precise lines to increase workplace efficiency with PaintStripe Floor Marking Stencils. Watch the video and receive a sample via [www.bradyeurope.com/PaintStripe](http://www.bradyeurope.com/PaintStripe).
